

# Air Freight Clearances... how does it all work?

A package is sent from overseas to Australia  
The package arrives at the airline terminal

If goods are under \$1000 AUD  
then no tax is payable.

**HOORAY!**

Regardless of the value of the goods you  
require a customs broker to clear the goods  
through customs and quarantine  
**Call us for a quote**

If goods are over \$1000 AUD  
then duty and/or GST is payable
